

Your *Reliable* Finance Partner

At Stearns Bank we recognize each customer has a unique sales cycle and cash flow challenges. We will work with you and your clients to structure financing that meets their needs, and we work with them from start to finish and beyond.

As a Minnesota-based, employee-owned national bank, superior service matters. For over 40 years our Equipment Finance & Small Business Loan Divisions have been providing financing to businesses across the country.

Driven to deliver outstanding personal service, fast decisions and high-touch technology, our experienced lending team will work with you and your clients to get the job done!

Fast Financing

Financing decisions in hours, getting you the financing you need when you need it.

Custom Solutions

Customized solutions made to fit your customers' unique business needs; including start ups, acquisitions and expansion.

Docs Your Way

You have a choice in your document delivery. With high tech, low tech and no tech options available - at your convenience.

Nationwide Lending

Among the most active equipment financing and SBA loan providers for businesses throughout the United States.

A Team of Experts

Working with a team that understands your business is key to helping guide you through the financing process.

Award Winning

Recognized as a National Top-Performing Bank by *American Banker* magazine and ICBA.
